

## SCHOOL NURSING

**Aim:** To be aware of significant adults living with or having a significant impact on the lives of children.

### School Entry

Introduction to school nursing service and the school entry health review.

- New parent talks

### NCMP

Year R and Year 6 – engagement with parents and with schools.

- New parent talks
- NCMP letter
- NCMP Leaflet
- Post NCMP feedback letters

### School Aged Immunisation Service (SAIS)

Primary schools– engagement with parents and with schools.

- New parent talks/coffee mornings
- Flu vaccination- email to parent with link to the website and e consent form
- Post immunisation resources
- Immunisation clinics
- Playground sessions to gain consent forms

Year 8 and year 9 engagement regarding immunisation and consent.

- Immunisation assembly
- HPV, Men ACWY and school leaver booster leaflet, email to parent with link to the website and E consent form
- Immunisation clinics
- Transitions events/parents evenings

When a school or parent/carer request support for an individual child, there is also an opportunity for the School Nursing Service to identify and engage with the adults in the child's life who have a caring responsibility.
