

Child Sexual Abuse Launch Feedback

“The information provided has given me more insight into Child Sexual Abuse, what to look out for, how concerns are investigated and how victims are helped. Thank you so much for these courses, they are great.”

“The course was very interesting and created a much broader understanding of how professionals work together and their individual responsibilities and cross overs.”

“Speakers were amazing, slides easy to read and follow. Really enjoyed the course and will be downloading the course material and add to my termly SG refresher courses for my staff. Thank you.”

“Really well organised and great to see so many professionals taking time to provide training.”

“Very well organised. Inputs from all the different agencies were really helpful and informative, particularly around the processes for examining children. I feel that this was a concern for many education staff and this was demystified during the training - thank you.”

“Incredible training. Sensitively yet robustly executed. Clear, concise, informative and child focused. As an employee of Children’s Services I feel privileged to receive training of such a high standard.”

“Well presented and superb knowledge from speakers.”

“It was really useful to have lots of different perspectives on different areas. I found it useful to hear a number of collaborations in one room.”
